Impact solutions for business and logistic environments

Compuprint
2056e

PDC

Compuprint 2056e satisfies typical needs in hospitals, hotels, retail stores, as well as in industrial and logistics environments. To these modern needs belongs the network capability which is available with 3 classic interfaces together in the standard model PRT2056EN. An entry model which serves the request for pure local connections like USB is available as well.

As a very economical printer the Compuprint 2056e helps to save money with its longlife ribbon of 10 million characters and its low power consumption.

Compuprint 2056e is the best choice for printing applications using multipart forms, single sheets, labels and envelopes.

Values and Features

- ✔ 24 pins print head (up to 500 Mio. strokes/pin)
- ✔ smart pin surveillance to substitute broken pins
- ✔ team player thanks to Ethernet 10/100 Base-T
- ✔ up to 4 interfaces in total: Ethernet, USB 2.0, parallel & serial
- ✔ great impact: 1 + 4 copies
- ✔ compact size: less than 39 cm width
- ✔ Workload: up to 10.000 pages a month

Versatile, economic and reliable

The Compuprint 2056e is most economic both in terms of its price and on duty. Print heads of impact printers are characterized by a high robustness and durability. Should it happen by any circumstances that a pin gets out of order, then the Compuprint 2056e can compensate it by its fast processor on board which allows to use other pins and to keep the throughput on a high level. Very high speed draft is good for up to 400 cps.
